The following changes shall be a part of RFP 0001-07-2023-1:

**Old Language:**

Page 3 III. para. 4:

The vendor shall design and install fencing along the perimeter with an approximate length of 700 yards. There shall be one (1) gate 15' wide that will need to be motorized and controlled from a remote location. Gate must have keyed manual operation as well. There shall be two (2) walk-through gates 6' wide. All gates must have model 7010 prison locks with paracentric keys, keyed alike (see Attachment 3). A minimum of six (6) keys must be provided.

**New Language:**

Page 3 III. para. 4:

The vendor shall design and install fencing along the perimeter with an approximate length of 700 yards. There shall be one (1) gate 15' wide that will need to be motorized and controlled from a remote location. Controls must include all camera and intercom capabilities. Gate must have keyed manual operation as well. There shall be two (2) walk-through gates 6' wide. All gates must have model 7010 prison locks with paracentric keys, keyed alike (see Attachment 3). A minimum of six (6) keys must be provided.

**ALL ELSE REMAINS THE SAME FOR RFP 0001-07-2023-1**
