

Addendum 1

As part of your response to RFP 09182017-01 Inmate Telephone Service you must:

1. Include any data breaches within the last 5 years
2. The outcome of those breaches
3. The extent of the breach
4. The reason or equipment responsible for the breach
5. The corrective action taken to prevent such occurrence from happening again

Data Security will account for a portion of the evaluation criteria

Also this form must be signed by both parties that, in the event of any data security breach, the proposer accepts full responsibility for any and all lawsuit, litigation, costs, or other issues that may arise. Also the Proposer must take full responsibility in the media and relieve the jail of any liability or negligence unless the jail or its personnel modified, altered, or were negligent in the Jail's responsibilities that allowed the breach to occur:
